

NOVEMBER 2022 HONORED ANGEL

Claire Elizabeth Hudgins

10.15.2020

Claire was born at 34 weeks 6 days stillborn on October 15, 2020 at Riverside Regional Medical Center, Newport News VA.

Our sweet girl was 6 pounds 4 ounces, 19.25 inches long. She had beautiful thick brown hair, and was definitely her momma's twin!

Our family relates all things flamingo to Claire, as it was her nursery theme. Flamingos symbolize beauty, balance, and grace. Flamingos are also pink, which can be used to symbolize femininity and innocence, among other characteristics. Flamingos also tend to represent confidence.
