

MARCH 2023 HONOR LAMB

Kyler Andrew McVicker

The week my husband and I had our six month anniversary, we found out we were pregnant. We were over the moon excited! We were due in March of 2023.

On October 22nd, at 18 weeks, I went into premature labor. Kyler Andrew McVicker was born at 5:50 am. He was beautiful at 8.5" long and weighing 7 oz. He was perfect. We were told he would not survive the delivery, but he was a fighter.

Kyler got to spend 10 precious minutes with us before he passed away in our hands. We loved him from the second those two little pink lines showed up and we will love him until we're able to be together again one day.
